# POTENTATE'S MESSAGE – BRING ON SPRING!

by IS Ray Singmaster

“Pennsylvania's most famous groundhog emerged from his burrow on a snowy Tuesday morning in February and saw his shadow, declaring there would be six more weeks of winter. The spectacle that is Groundhog Day at Gobbler's Knob in Punxsutawney, Pennsylvania went on but this year, it was all virtual because of the corona virus pandemic”. (CBS news).

Sound familiar, virtual meetings, virtual parties, virtual School etc... Well, we are not having virtual winter, Punxsutawney Phil was right just ask the folks in Texas and

across the country. We here in Colorado experienced some of the coldest temps we have experienced in a long time. Sub Zero temps made staying inside a great option for a few days.

Spring will happen and recent warmer weather provides optimism for things to come. April showers Bring May Flowers, yes even snow showers. Please everyone stay happy, healthy, and optimistic as we enter the spring and summer and all the parades, picnics, official visits to clubs and units, and activities we look forward to! We are remaining cautiously optimistic toward our Ireland Trip and working closely with our travel agent for the latest updates. If you're already signed up, stick with us, if not consider joining us. Watch the Nuts and Bolts for the most current information.

Together let us celebrate 100 years of Fun, Fellowship and Philanthropy.

“FUN IN TWENTY-ONE!”

# "FUN IN TWENTY-ONE"

by *Bill Davidson*

*Assistant Rabban*

Greetings All,

Rhonda and I hope this finds everyone one in good spirits as we continue to navigate through this pandemic. The last year has been trying for everyone. We now have a vaccine for those who choose to get take it and it looks like things are starting to open up again.

As businesses begin to open and restrictions are lifted, we can now begin to get things moving in a more positive direction, including being able to participate in the upcoming OV's. The past masters OV kicked us off in February followed by the CSSC and the escorts in March. While attendance was limited, we are getting together.

As we continue to navigate through these times, hopefully we will get back to some sort of normalcy by summer and start to see parades happening, as well as, getting some new nobles to join in on the fun.

In the meantime, stay safe and healthy!

# MULE TRAIN NEWS

(A Snapshot of Mule Care)

by *I.S. Allan Ake*

It was bitter cold, about ten degrees below zero, as I recall. Luckily, there was no wind. In fact, there was no breeze at all. Linda and I were in my pickup with the heater on full blast as we drove up to the Mule Train. We were there to unload four bales of grass hay that Ray Lingley had recently bought. They were stowed on the Mule Train's flatbed trailer and covered with a tarp, which in turn was covered by about four inches of snow. Debbie stood behind my pick-up where I could see her in my side view mirror. She gave me a series of hand signals to guide me left or right so I could line up my trailer hitch with that of the trailer itself. She gave me the stop sign, so I threw the gear shift into park and hopped out. I quickly hitched up the trailer and cut the strings that held the tarps down. She and I removed the tarps, being careful not to spill any snow on top of the bales. There is nothing that'll spoil a bale of hay faster than moisture, which allows mold to quickly grow, thus rendering the hay unusable. She said, "I'll fold these up, you go ahead."

"Ok," I said, "thanks." As I pulled away, with the trailer in tow, I saw Jacob arrive with his own trailer, which carried a skid loader that he would use to unload the hay. I stopped and got out as he hopped up on the trailer.

"It's a little cold, isn't it?" he said.

He's a tall young man with an easy smile. He had on heavy coveralls and a COVID mask, which I reckoned was more for warmth than COVID protection. Even though he wore the mask, I could tell by the crinkles around his eyes that he was grinning.

"Yup", I said and grinned myself. It was too cold to say much of anything else.

I didn't tarry, but drove quickly around to the main corral so I could park more or less adjacent to the hay barn. I had to stop in front of

the main corral gate, however, until we could move the mules out of the way. Debbie opened the south gate so she and I could push the mules out of the main corral and into the practice arena. They did indeed move into the practice arena and bunched up there to stay warm.

As we walked back towards my pickup, she said, "I fed them twice this morning."

"Excellent", I said. "That was a good idea." (Digesting feed actually generates some internal warmth for the big animals, so it's good to keep their stomachs full during extremely cold weather).

Debbie opened the main corral gate for me, so I drove in and parked in a place where Jacob could unload quickly and easily.

Jacob drove into the corral with the skid, armed with the hay spears looking like some sort of medieval weapon or maybe a weird stock car. He speared the first bale and carried it into the hay barn. He's unloaded and stacked enough hay at the Mule Train to know exactly where to unload.

After he unloaded the remaining three bales, he drove his skid loader/stock car out of the corral, removed the hay spears and mounted a bucket on the front. He just as quickly drove back into the corral and cleared the manure away from the front of the feed troughs. I stopped him long enough to say thanks for all his help.

"Too easy," he said and his eyes crinkled again.

Bruce was standing by so I walked over to him. He was really bundled up and all I could see of him were his eyes. "Let's take a look at the water troughs," he mumbled through his hood and mask.

"Ok", I sez. (Or mumbled through my mask).

We walked over to the heated water troughs, and he said, "As you can see, they have a little rim of ice around the outside, but that's all."

"Looks like no problem, Bruce," I said.

"That's what I thought, but wanted to run it by you."

"Thanks a bunch. We're good to go."

"I'll get the gates," Debbie said. "You and Linda go on home."

All right, I thought to myself, there were five of us here and look at the teamwork and cooperation that occurred. And this ain't but a snapshot of the care those big ol' animals need!

# FEATURED SHRINER DOUG GABEL

by *Billie Nigro*

Doug was born in 1953 and raised in Pueblo, CO. Born in December, he was an early Christmas gift. His mom was a homemaker, dad was a railroad supervisor, and sister is a nurse. He graduated from Pueblo South High School in 1972 and studied vocational education at CSU Fort Collins.

Doug went to work at Kwik Copy Center and Printing after high school. During the military draft, he was classified 1A; with a draft lottery number of 7. He took his military physical in November of 1972 and President Nixon stopped the draft in January 1973. In March 1973, he purchased the Kwik Copy and operated it for the next 10 years. For 5 of those years, he printed the Al Kaly Dust. He taught Printing and Graphic Arts at his alma mater, South High School, for 27 years.

When asked about funny stories during his work history he said, "There were too many to count. High school teacher for 27 years. Think about it."

When Doug was the president of Single Footers Square Dance Club, Kathy started as a beginning square dancer. I asked what attracted him to her and he said "She had two quarters in her back pocket, both heads. Again think about it!" Their interests include working on and loving their home. Doug says they have two very precious Pug dogs and one damn cat. They enjoy traveling, especially in their 5th wheel camper.

Doug and Kathy have two children. Their daughter Jennifer (husband Matt) is the Director of nursing at St. Mary Corwin Hospital and will soon complete her PhD in Hospital Management. Their son Charlie is working on creating a lifestyle. They have four grandchildren. Butch is following grandpa's love of heavy equipment. Morgan works in security and follows Grandpa's love of Clowning. Ian works as a forklift operator in a warehouse. Danielle is starting her career as a nurse. They also have a 5 year old great-grandson Mason; he loves trucks and tractors – just like great-grandpa.

Doug's hobbies include collecting and restoring antique tractors. Currently, that collection includes a 1953 Ford Golden Jubilee, 1953 John Deere Model 40, 1953 Farmall Cub. (Doug's also a 1953 Model). Being the "John Deere Clown" just came natural! He also has a 1947 Jeep CJ2A, and 1947 Simplicity. He also collects tools - wood working, metal working, welding and machining. Another collection includes all types of printing equipment: letter press,

*(continued on page 7)*

offset, and digital desk top publishing. In his leisure time, he likes to go fishing with family and friends, even though he never seems to have time. He enjoys shooting, gun sports and re-loading.

Doug became a Master Mason in 1978 at South Pueblo Lodge 31, 32nd degree Scottish Rite in 1980, and Al Kaly Class of 1982 New Nobles, I.S. Brian Carter, I.S. Bob Mourigues, to name a few. Masons and Eastern Star have been a family tradition. Doug's dad, grandpa and 2 uncles were also Masons. His mom, grandma, sister and one aunt belonged to Eastern Star. Uncle Bert Cooper is 96 years old and is still a Shriner. Doug served as Worshipful Master of Greenhorn Lodge 196 in 2007, also in Eureka Lodge 66 in 2009, 2011 and 2020. He was Associate Guardian of Pueblo Bethel 3 Jobs Daughters in 1988. Fun, fellowship and being part of something with deep meaning and purpose attracted him to the Shrine. He enjoyed riding with Al Kaly Motor Patrol and totally loves being the one and only John Deere Clown.

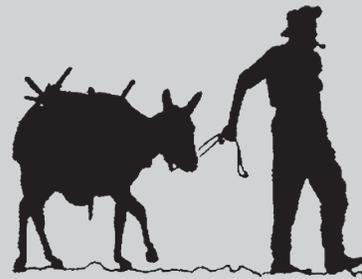

Doug has enjoyed traveling to England, Scotland, Iceland and Alaska with Al Kaly nobles and ladies. His grandson Andrew, aka Butch, is an Entered Apprentice Mason and looks forward to being a Mason and Shiner. Kathy enjoys being in the Daughters of the Nile. Their daughter Jennifer served as Honored Queen twice in the Jobs Daughters. Doug signed the petition to create a Noble of his dad, as his dad did for Doug in the Lodge and Scottish Rite. The majority of his friends are brother Masons: Grant Anderson, Brian Carter and Tom Marranzino.

Doug says he struggles to be optimistic as well as a realist. He consistently refers to his Masonic obligations as the rule and guide of his life - try it sometime...it works! He says he should turn off the daily news. He finds pleasure all around him with family, friends, pets and toys (or as Kathy refers to them - his junk!).

Doug's favorite saying is "This too shall pass!" (Quote from teacher mentor, Herb Wermers)

In 1987, when Doug and Kathy decided to build their home, they enlisted the help and guidance of friend and Brother P.M. Henry Spate. He guided them through the project as if it was his own home. Masonry in real life!

At Montgomery & Steward Funeral Directors, we're proud to be independent - just like you. We're owned and operated by lifetime Puebloans - not by any of the giant funeral home chains. This means we only answer to the families we serve, not to outside stockholders.

Your independence allows you to select which funeral home you will call at the time of need, or when considering a pre-need plan. That same independence allows you to choose a local funeral home where you know your wishes will be followed to the letter.

We honor most funeral plans made with other funeral homes. Just call us and we'll be happy to explain your options and handle the details for you.

Since 1922, we've worked hard to make a positive difference in the Pueblo community by providing service and care for families of all faiths and ethnic origins.

Please call us today. We never use high pressure sales tactics. And we'll be happy to answer your questions and discuss your options at your convenience at our funeral home or in the privacy of your home.

# BAND

by *Larry Weed*

The Band has been silent for too long! The pandemic hit and silenced the band for a while, but we are anxious to get going again and tooting our own horns. The month of May begins this year's parade season; kicking off with the Music and Blossom Festival and Parade in Canon City on May 1st. We're also lining up to play in the parade in Salida for the "Fun in Boating on the Arkansas River" (FIBArk), on June 19th, and several of the other parades coming up. We've lost the link to the Al Kaly Parades for the moment, but you can find them at: Al Kaly Shrine - Parades ([http://www.alkalyshrine.org/shrine\\_parades.aspx](http://www.alkalyshrine.org/shrine_parades.aspx)), and we're working to update and make sure we've got all the right dates. Please also check the Event Calendar as we get into this.

Our band's Official Visit with Potentate I.S. Ray Singmaster, Lady LorAnn, and the Divan is on June 27th, at the Pueblo Shrine

Club. With some help from Lady Terry Weider (wife of Oriental Guide Forrest), there are changes being made to the decorations at the Pueblo Shrine Club; we're sorting through some old uniforms to help decorate the club. We are also looking to collect any music and charts that may be collecting dust in our members stuff, and put a complete library of some of our charts back together. To complete the decorations, we are also looking for a set of bagpipes. If anyone has a set hanging around that they are not using, please consider donating them to the Pueblo Shrine Club.

If you've been thinking that it's been too many years since you picked up that musical instrument in the closet and you've forgotten how to play...think again! We have room for you in the best band you could imagine! The Al Kaly Shrine Band is looking to get rolling back in motion and to add a few more players in the process. Locate any band member (you can find us in the Directory), give us a jingle or send us an email, and check your calendars and come out and join us for the fun!

**The Al Kaly Shrine General and Transportation Fund are in need of a financial boost.**

The increasing cost of operating Al Kaly Temple and transporting kids to the hospital combined with decreasing membership has put a strain on the General Fund and Transportation Fund. Please remember both of these funds when donating. Send your donation to: **Al Kaly Shrine, P.O. Box 193, Pueblo, Colorado 81002**

## *In Memoriam*

*As of: October 24, 2020*

*"Do not stand at my grave and weep,  
I am not there, I do not sleep.  
I am in a thousand winds that blow,  
I am the softly falling snow.  
I am the gentle showers of rain,  
I am the fields of ripening grain.  
I am in the morning hush,  
I am in the graceful rush.  
Of beautiful birds in circling flight,  
I am the starshine of the night.  
I am in the flowers that bloom,  
I am in a quiet room.  
I am in the birds that sing,  
I am in each lovely thing.  
Do not stand at my grave and cry,  
I am not there. I do not die.
