# POTENTATE'S MESSAGE

by Ill. Sir Roger Mendenhall  
Potentate

Early in September, Karen and I attended Salt Lake City's 2013 Hospital Days at the Shriners Hospital there. I presented two checks for the wheelchair department, one for \$1,000 from the Fremont County Shrine Club and the other from the Clowns of Al Kaly for \$650.00. The donations were well received and many thanks were given. The Salt Lake City hospital is a shining gem in our hospital system. We should be proud to have this hospital as one of the main recipients of our support. While there, I attended the board meeting as a guest and was well received. It seems to be an excellently run board with a lot of dedicated members including our own PP Bob Burr.

The next day, we attended the charity golf tournament put on at Smithfield, Utah at a scenic golf course. This annual tourney is put on by the local golf pro there who has a Shrine child. With that built in motivation he does a fantastic job of raising funds for the Salt Lake hospital where his child is treated. We greeted golfers at the 9th hole and were shocked at how professionally they played. Very few Shriners played. These were business leaders from the surrounding communities and their employees. A check for \$50,000 was presented to the hospital at lunch.

CSSA Branson was hot, but we managed to have a good time in spite of the sweltering heat. Twelve camping couples were joined by those from the hotels for happy hours every evening. Thanks to all who left the air conditioning of the campers and hotels to drink Margaritas and eat snacks every evening with us.

I walked the Al Kaly banner through the parade

# HOSPITAL DAYS AND LOADS OF FUN

by **Karen Mendenhall**

The Salt Lake City Shriners Hospital for Children trip for "Hospital Days" was my first opportunity to see what great work our Shriners do supporting this hospital. Over a hundred people attended including twenty folks from El Jebel. The new lady administrator was a surgeon there

years ago and commented that she was coming home. She said that Shriners hospitals are like Disneyland for doctors, because there are no restrictions placed upon them by insurance or what parents can afford. "What's best for kids" is what guides doctors, and that's why Shriners get some of the best. The staff is exceptional. Daughters of the Nile are supporters of the hospitals as well, and as a "Daughter" I am extremely proud.

Back in August, we attended CSSA along with about thirty other folks from Al Kaly. Twenty-four of us stayed at the campground where we held Happy Hours every evening at the pavilion. Those staying in the hotels joined us Friday evening where the band played for a festive pot luck. J.D. Potter's frozen Margaritas were popular and helped ward off the heat and humidity, which

# PHOTOGRAPHERS NEEDED

Al Kaly is looking for Nobles who are interested in photography. If you have a digital camera and an interest in taking pictures of Al Kaly events, we need you. If we get enough Nobles who would like to pursue this hobby, we can start a Photography Unit to increase our skills and learn how to become more proficient on the computer with digital technology. We would have picture-taking outings, and social events. Email Roger Mendenhall at rogerm52@q.com if you are interested.

*(First Lady, continued from page 3)*

was hard on us folks from dry country. Too bad we couldn't air condition the outdoors. But, we attended some great shows as a group, getting discounts along the way. Also, Branson Landing was beautiful. The mist over the river next to the campground started in the evening and lasted until midmorning. It reminded me of "Phantom of the Opera" because you could see the tops of boats gliding along silently and mysteriously.

We are looking forward to all the Christmas parties coming up. If you want something for a Christmas gift for a girl or lady, remember our fabulous dolls. They will be available at the Daughters of the Nile event on November 16th. It is a luncheon and fashion show with dolls and jewelry for sale and some great baskets to be won. Give me a call (495-0678) or contact JoAnne Sube for tickets. We'd love to see you there.

with Ron Bowen on the other end. We made it to the end in spite of the 96 degree temperature and 85% humidity.

After Branson, the Florence parade was attended by a large group of Shriners who joined the Fremont County Shrine Club afterwards for a most delicious and welcomed meal at the Mill's home. Thanks to all.

Parade season is over, and thanks to all the folks who came out in support of Al Kaly. Jim Gilbert and Fred Kiger did a bang-up job of keeping all of the parades organized, and I appreciate their work. Thanks, guys!

of Al Kaly

Dear Honored Ladies,

Well it's coming to that time of year when we have our Official Visit from IS Roger and Lady Karen in Canon City at the Belvedere. We will meet at 11:30 a.m. and eat at 12:00 p.m. on Saturday, December 14. The cost is \$15. Your caller will be in touch about car-pooling and for your reservation. This particular luncheon is so much fun! We have our gift raffle and drawing which allows us to give to the Transportation Fund. We always have so much fun with this raffle that we hope you come and bring a wrapped gift or two as this is our only fundraiser.

It is becoming clear that the Honored Ladies need to make some decisions about when and where to meet in the future. We will talk about this at this meeting. Please give this some thought. Salida is a long trip and there are no Honored Ladies that can attend from Salida anymore. Bring your thoughts and your ideas along. You could also call me 719-650-9730 or email me at rose.eneart@yahoo.com. I hope to see you there all gussied up for Christmas!

## III. Sir Dick Sater

by *Rose Enyeart*

### PEOPLE WE THINK WE KNOW!

IS Dick Sater moved to Overland Park, KS when he was a sophomore in high school. He became best friends with Nick Hoge, who had a cute younger sister, Anne. By the time he was a senior, he and Anne were dating. Dick went into the service and came back and married Anne in 1957. They celebrated their fifty-sixth anniversary last

year with a trip through the Canadian Rockies, but wait, that's getting ahead of the story of IS Dick's interesting and varied careers and life.

IS Dick joined the Air Force out of high school and spent twenty-two years at various postings. It was during the Cold War when data processing was done with punch cards that must never be dropped or gotten out of order. Because he was in intelligence, he was sent to Anchorage, Alaska to be part of the monitoring of the Soviet activity. They spied on us and we spied on them. It was a time of tension and suspicion. It was during this posting that the April 1964, Earthquake to end all earthquakes, hit Alaska. Anne was pregnant and a few days later delivered the baby in the nurse's quarters because the quake had damaged the hospital so badly. She was just held overnight because the space in the Nurse's quarters was needed.

They were posted to Colorado Springs in 1971 for service in Cheyenne Mountain. In 1976, they retired in Colorado Springs after an offered posting to Korea that would be without Anne and the children. IS Dick enjoyed his time in the Air Force and thought it had been a wonderful experience. When he left the service he was ready for something new and got his Realtor license,

because it had the flexibility to allow him to become involved in refereeing high school and college basketball. He could pick and choose his weekend and week night schedules and that gave him the freedom to do both new careers and be successful in both. He refereed all over the state and would travel to games and sometimes Anne went along for the weekend. He enjoyed the contact with the kids and he and his partners have been known to contribute their pay so that disadvantaged children could have basketball shoes. IS Dick was inducted into the Colorado High School Basketball Referee Hall of fame in 1994.

Even though his father and grandfather were Masons, nothing was ever said about IS Dick joining the Masons. A friend mentioned that he might like to be a Mason. Dick agreed and asked his father to be the second line signer. He joined Colorado Springs Lodge 76 in 1980. He served as Worshipful Master in 1987. Since that time he has been either Secretary or Treasurer for the Lodge. He has served as Secretary of the Scottish Rite Bodies since January 2003. He was elected to the 32nd Degree Knight Commander Court of Honour in 2001 and received appointment as 33rd Degree Inspector General Honorary in 2005.

IS Dick became a Shriner in 1990 and has enjoyed the fun and fellowship. In 2002, he was installed as Potentate. One of the high lights of his year as Potentate was the trip to Spain. It was just weeks after 9/11, but very few people dropped out. There were one hundred twenty people who went with him and Anne. Several people took the trip over to Morocco and everyone enjoyed the trip to the Alhambra.

He was in the Corvettes for a few years and then he found the lovely lime green 1929 Model A that he drives

*(Dick Sater, continued at right)*

*Dick Sater's 1929 Model A.*

Duck Sater with his 1929 Model A.

(Dick Sater, continued from left)

in the Parades as a Fliver. The car is as well-known as IS Dick in the parades. He enjoys the parades and seeing the different friends in Al Kaly's Clubs and parades.

When IS Dick was Potentate, he stopped doing Real Estate which has given him the time to become the Secretary for the Scottish Rite. He's also lucky enough that working has not impinged on his golf game and his time to play.

IS Dick and Lady Anne have three children, eight grandchildren and eight great-grandchildren. Son Brian and his wife Chris live in this area where he works in insurance, daughter Mary and husband Mark live in Denver where she teaches school, and Kevin and Cara live in Provo where he teaches ROTC in high school after retiring from the Air Force. In a life of service, IS Dick still manages to do the work of Masonry and help these bodies grow and survive through all the changes that have occurred over the years.

# SHRINERS ARE EVERYWHERE!

by *Merv Terrill*  
Chief Rabban

Shriners have the ability to adapt to difficult situations more often than they are given credit for. Al Kaly Shriners proved this during the first weekend of October.

On the 5th of October, there were no less than five Shrine and Masonic functions, not to mention those who were involved with a wedding at the Pueblo Shrine Club and their family responsibilities.

However, Shriners proved again, when needed, they show up with the solution to the problem.

Canon City had their annual "Thousand Years of Masonry" get-together and they were able to compile over 600 years of Masons at their meeting; Gale Fortney celebrated his 85th birthday among many friends, Shriners, Masons and Mule Riders and the Penrose Parade was a smashing success with many Shriners and their Units represented there.

At the same time, the Scottish Rite coroneted several new "Red Hats" and "White Hats" into their respective ranks with much pomp and ceremony...also, well represented by Shriners who belong to that fraternity, too. During this time, several other Shriners participated in a tailgate picnic at Colorado State University - Pueblo with the Cabiri and attended the football game after filling their tummies.

Five functions, all represented by Al Kaly Shriners at the same times, on the same day. Wow, aren't we something special? We took our special interests, split into groups of 5-6 each and showed the world we were interested and supportive of their interests. I am proud of our Shriners being able to do this, but more specifically in following through and actually doing it. Keep up the good work.

# THE END OF THE 2013 PARADE SEASON

by *J.D. Potter*  
Assistant Rabban

The days have shortened and the last parade of the season has taken place. But not to worry, we have plenty of things still coming that will keep us busy.

The Basketball Tournament at Massari Arena in Pueblo will take place on November 15th and 16th. Both men's and women's tournaments will be held. We have three teams in the top 25 in the Nation and one team was rated Number 2 in the nation at the end of the season. This would be a very good time to bring prospective Masons and Shriners out to see how much fun we have supporting Al Kaly.

We will have the 2014 Cash Calendars out this month- remember your Club or Unit will receive \$7.00 for every calendar you sell. So get one person from your Club or Unit to go over to the office to get your share of the 2014 Calendars.

Don't forget that the next Stated Meeting will be the nominations for the Board of Directors. So please come out and support your candidates for the various offices. See page 7 for more details on this subject.

Lastly, I want to thank all the members and their guests that turned out for the Calling in of the Hogs, if any one left hungry it was of their own choosing. We ate three-quarters of a 250# hog, 80 hotdogs and a 5 gallon bowl of beans and pasta salad. I had a great time preparing the feast along with my Lady Stacey and we look forward to doing it again.

# THE HOLIDAY SEASON IS HERE!

by *Jim Eaches, Sr.*  
*High Priest and Prophet*

Greetings:

Yeah! My favorite time of the year is right around the corner, that's right, the glorious Holiday Season. We had a great summer with all the parades, picnics, Official Visits and whatever else came our way. But now it's time for Thanksgiving, Christmas, and New Year's. Hard to believe that 2013 will soon be in the archives of Shrinedom. I wish to thank all the Nobles and Ladies that supported all activities this year, and a special thank you to the Ladies who stepped in to help support our Al Kaly Photographer of which we now only have one. So, the call goes out to every Noble who would be interested in taking pictures of our activities throughout the year. But by no means are we trying to replace the wonderful Lady Photographers.

The Pig Roast was a great event again, as it has been over the last few years since its incorporation as a Shrine Fundraiser. Assistant Rabban J.D. Potter is to be commended for the superb tasting pork and a big Thank You to all those who help make the side dishes and prepare the Club, decorations and all.

We still have some more events left for the year so please keep reading the Nuts & Bolts. If you do not receive this email flyer and would like to, please contact the Recorder with a functioning email address and you will soon have the flyer at your fingertips.

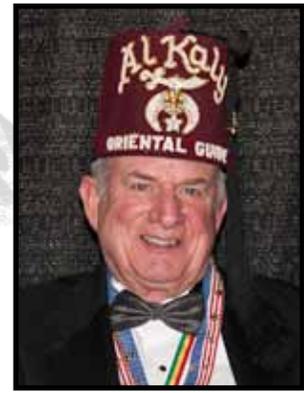

On the 6th of October I had the pleasure of supporting my lovely Queen Rosa as Ruhamah Temple prepared and received the Supreme Queen of Daughters of the Nile, Margaret Ann Risk. Yes, it was a long weekend but it was worth every minute. The Supreme Queen is a wonderful Lady and delivered a strong message about who the Daughters of the Nile truly are and how happy they are to support the Shriners. To date, these wonderful Ladies of the Household have contributed 52 Million Dollars to support our Hospitals, and Nobles we need to honor their support.

Last on the brighter side, I would like to let everyone know that I have purchased a pair of glasses that filter out blue and orange colors. This way when I have to watch a Bronco game, all Bronco players are in gray and white uniforms.

*(High Priest and Prophet, continued on page 10)*

# FUN AND FOOD

by *Ron Bowen*  
*Oriental Guide*

Nobles and Ladies,  
It's been a lot of fun during these past two months. Our September Stated Meeting saw us welcome five new members into the Shrine. I so hope that their first and second line signers take them by the hand to acquaint them with the Units and to become aware of all the happenings going on within our Temple. This support from the first and second line signers makes a big difference in ensuring new members find their place and adjust to all the exciting things that will be so new to them.

You know, there are so many things going on within the Shrine and I've come to realize that just about everything in one form or another involves eating! I haven't been too happy with my weight as a result, because all of the food that is involved is too good to resist. My scale keeps telling me how much I have been gaining. So, as a result, I joined the YMCA in order to try to combat this problem, and you know, so far so good. I started participating in Tai Chi, strength and mobility, and yoga classes. I won't say this very loud, but I have started to lose a few pounds. Unfortunately, my spare tire doesn't seem to want to aid in the loss. Wish me luck on my continued progress!

I wasn't able to attend the Florence Parade, but I understand that Dick and Mary had an awesome picnic prepared after the parade. Great job guys! I know all enjoyed it. I'm sorry I missed it!

The Shrine Calendar for 2014 is finished and now at the printer. I would like to thank J.D. and Deborah for a fantastic job in putting it together and showing me some of the ropes along the way. I think it will be the best yet.

My best to all.

# SILVER AND GOLD STARS

by *Bart Guthrie, P.P.*  
Recorder

Prior to a stated meeting, the Office sends Nobles a post card advising them of their upcoming award. Attendance from the post cards runs around 25 percent. We have then been mailing the award to the Noble. We are required to use a “bubbled” envelope to mail the stars. For some reason the postal department charges approximately \$2.50 to mail this envelope. So, in the future, we will no longer mail stars to local (Colorado Springs/Pueblo/Canon City) Nobles unless the Office is contacted and specifically asked to mail the award. The award may be picked up in the Office or other arrangements made with me. If you can’t attend a stated meeting to receive your award, please make arrangements with someone else to pick it up for you. We will continue mailing to out of area and out of state Nobles. This should reduce significantly our postage expenses.

Also, we will discontinue distributing stars in personally addressed envelopes at stated meetings. Nobles will still receive their stars at stated meetings – just not in a personal envelope. This will speed up distribution and reduce the time spent at meetings which I’m sure nobody will complain.

*(High Priest and Prophet, continued from page 9)*

Hopefully when Peyton Manning retires, my wonderful and precious Queen will regain her wits and pick another team to cheer for, as for now, the glasses give me peace. Happy Holidays!

Yours in Shrinedom

# Importance of Selecting Qualified Candidates for the Office of Oriental Guide

by *Bart Guthrie, P.P.*  
Recorder

**From the Office of the Imperial Recorder.** When the members of a Shrine Temple elect a Noble to the office of Oriental Guide, they are virtually starting that Noble through the Divan line on the assumption that he will prove qualified for any merit achievement to the high office of Potentate.

Hence, it's quite evident that the nominations for Oriental Guide should be based upon thorough and accurate evaluation of character, ability, and interest.

A Noble can be a good fellow, a hard worker, and a loyal Shriner...and yet lack the basic qualifications which make a good Potentate. Unless a Noble is fully qualified for the job, he is unfair both to himself and to his temple in seeking the office or in permitting his fellow nobles to support and promote his candidacy.

The normal starting point of Shrine leadership is the office of Oriental Guide. The following checklist may prove helpful in evaluating potential candidates for the office of Oriental Guide. However, no thinking man would be so naïve or presumptuous as to all the virtues, talents, and qualifications which are set forth in this checklist for advance evaluation of potential candidates by the voting members.

- Leadership
- Executive ability
- Business sense
- Community standing and influence
- Financially secure
- Free to donate ample time
- Capable of building good public relations
- Good habits and moral character
- Interest in Shrinedom
- Ability to give and get cooperation
- Diplomacy

Many temples have placed a definite limitation upon their progress as a result of hasty judgment in connection with nominations for the office of Oriental Guide. Every Noble is not fitted to meet the rigorous demands imposed upon Potentates.

So let's be fair, honest, and wise in the all-important matter of electing to office only men who are eminently qualified for the job. We all know that with honor comes responsibility. And while there is high honor associated with a Divan office, the ensuing responsibilities entail a lot of time-consuming, energy-consuming WORK! Eternal vigilance must be wisely and thoughtfully exercised by the voting membership in order to perpetuate a high caliber of leadership!

*In Memoriam*  
*as of September 30, 2013*

Do not stand at my grave and weep,  
I am not there, I do not sleep.  
I am in a thousand winds that blow,  
I am the softly falling snow.  
I am the gentle showers of rain,  
I am the fields of ripening grain.  
I am in the morning hush,  
I am in the graceful rush.  
Of beautiful birds in circling flight,  
I am the starshine of the night.  
I am in the flowers that bloom,  
I am in a quiet room.  
I am in the birds that sing,  
I am in each lovely thing.  
Do not stand at my grave and cry,  
I am not there. I do not die.

# Musings from the Blue Lodges

by *Richard Mills*

The Lodges around the District are recovering from the long Summer lay-off and getting back into the mindset of attending Lodge.

WB Bate has outlined an aggressive agenda for South Pueblo 31. The list of educational classes and discussions for the rest of the year is very impressive. The Lodge meets on the 1st and 3rd Thursday. It will be well worth your time to give them a visit.

The Senior Grand Warden, Bro. Michael McMillan, stirred up some interest in a group of us to meet for an informal and fun get together. The purpose is to share fellowship and improve our knowledge of Masonry. The group is getting organized and will only get better. If you are interested, call Bro. Michael.

Fremont Lodge 97 celebrated its 2nd 1,000 years of Masonry on 5 October. There were many family things happening on that day, so the turnout of Brothers was somewhat down. Although we had strong competition, more than 40 were in attendance. Bro. Joe Clendaniel gave a very informative talk on the "forget me not" flower. After the presentation, the group was treated to a delightful meal prepared by the Shrine Ladies from Fremont. Bro. Charles Lewis received the award for the Mason with the longest tenure of 63 years. Bro. Rick Fatula was the youngest with one year.

In Westcliff, while playing his cowboy role, WB Glen Dotter and his horse parted ways. Results: Glen came out 2nd with 10 broken ribs, chipped bones in the back and a badly bruised ego. Glen is doing better and is up and around.

Remember Nobles: Support your Blue Lodge.

*by Ill. Sir Bob Burr*

After the many times we talk about Masonic Family activities, I thought it appropriate to pass along a few words about the Consistory. A special congratulation goes out to each of you from Potentate Roger Mendenhall and his Divan.

# Right Place, Right Time

by Rose Enyeart

Dalton Eads is a wonderful example of what Shriner's Hospitals for Children accomplish and the care they provide for children. Dalton has idiopathic scoliosis, which is translated into they don't know its origins or the cause. Dalton's scoliosis started when he was seven or eight months old. His mother, Michelle Eads M.D., sought help for this condition. The first doctor they saw suggested that they fuse his spine to keep it straight. They sought a second opinion and they were thankful that they did. Not only did they find Dr. Roach, who worked at the Salt Lake Shriners Hospital for Children, but he also knew that statistics were showing that the young children who had had their spines fused were not living past twenty.

Dalton's first visit to Salt Lake was when he was nearly two. He had to be casted for the first few years. When he was three, he had a cast that held his neck in place. He could not move his head and can still remember how difficult it was to be fed and how awkward it was to move and see things. Once the cast came off he was delighted to announce, "Mommy, I can move my head."

In the ensuing years, the family has been so impressed with the gains that have been made in the casts and braces that Shriners have made. The techniques continue to improve and the design and the results are noticeable as well. The process of molding each brace to the growing body is down to a science at the hospital which just isn't available elsewhere. Dr. Risser developed a brace that starts with plaster of Paris for its mold ability which is then coated with fiberglass for durability. The brace then can be decorated however the child decides. Dalton has created some colorful and interesting designs for his braces.

From Dalton's point of view, the best thing about going to the hospital is that they help kids who are far worse off than he is. His mother appreciates the fact that the doctors

and staff are the same each time. Their experiences with doctors who are not familiar with Dalton's history have led

to some real concerns. The continuity is invaluable to successful treatment.

The advances

in the techniques for making the braces are one example. The lunch ladies have also encouraged Dalton to try new foods and expand his taste buds.

The family makes a trip every six months to get a new brace created. The brace is worn about

twenty hours a day and is removed at school for lunch and P.E. The current brace has an opening which allows his stomach to expand when he eats. He is tall and thin and has asthma to contend with, in a brace which needs to keep him upright. They are trying to keep his spine from a severe angle which would require a halo to keep him straight. Hopefully he will go through his growth spurt by sixteen; he is now

*(Shriner Child, continued at right)*

*(Shriner Child, continued from left)*

twelve, so he will be able to have his spine fused. With a fused spine, he will be free of the brace and other devices.

So far his favorite subject in school is lunch with science coming second. His eyes dance as he explains that he hopes to get the more interesting part of science next week. He is looking forward to art next semester. Dalton is in seventh grade and some kids didn't know about him and his brace. He gets flack but seems to be able to handle it with his strong sense of humor and the grace that he has developed.

Outside of school he is a Boy Scout and has done a backpacking trip where he carried thirty or forty pounds on his backpack. They hiked six miles and camped. He enjoyed it although it was hard. He couldn't use his brace as it would hinder his flexibility. The family also did the Green River canoe trip in Utah where they went 53 miles in five days.

The discussion of pets was where his sense of humor was really displayed. It seems he is interested in reptiles. Mom is NOT interested in such a pet. They have a wonderful dog that could be a therapy dog. There will probably not be a reptile as a pet any time in the near future. It is a gratifying experience to be able to talk with the people for whom the Shriners have provided such a unique and special service. Aren't you proud to be a Shriner?

# Ruhamah Temple No. 71 - Daughters of the Nile

by Rosa Eaches  
Queen

Well, we got through the Supreme Queen's Official Visit. It was wonderful. Past Queens, Officers and Ladies of the Household, you have so much to be proud of. Pat yourselves on the back!!!! Our ceremonial of initiation was perfect, the unit performances were beautiful, and the banquet, well, what can I say. The Al Kaly Band played while we were escorted by the handsome Mule Train members, and the Supreme Queen and I danced in to the music. Thank you to both of the Al Kaly Units, you both made the night great!!!!

Supreme Queen Margaret Ann had a very nice visit with us; she had so much to say about the hospital visits that she has been to. She presented a gold plaque celebrating the generosity of Daughters of the Nile at Shriners Hospitals for Children at Lexington, Kentucky on October 25. The plaque is for 3 million dollars!!!! What a great gift, and so much to be proud of.

We also had our 100th year anniversary luncheon.

Supreme Queen's Official Visit.

PQ JoAnne Sube outdid herself with the great menu, decorations and setting up the program. PQ Norma Harre did a great job with our Daughters of the Nile history program. It was a beautiful day. Now we can take it easy and relax for the rest of the year. I wish all of you a very Happy Thanksgiving and Christmas season. Eat lots and I will talk to you next year.

# CLUB AND UNIT NEWS

## AL KALY MULE TRAIN

by *Ill. Sir Allan Ake*  
*Secretary*

Nobles J.D. Potter, Jim Johnson, IS Bill Sheard, and IS Allan Ake had the honor to act as escorts during the Daughters of the Nile Supreme Queen visit on October 6 (this would be the equivalent of an Imperial Potentate visit to Al Kaly). Ruhamah Temple #71 Queen Rosa Eaches presided over the proceedings aided by her MC, PQ Deborah Jordan. The four Mule Train Riders, in full uniform including spurs, escorted dignitaries from the waiting area to the head table preceding the banquet. Supreme Queen, Margaret Ann Risk, is from Texas and stated that she loved the hats and spurs!

On a sadder note, three of the Riders attended Russ Deehring's services in uniform as well. Nobles Jim Johnson, Gale Fortney, and IS Allan Ake wore partial uniforms to the services as a show of respect for our departed friend. In attendance from the Mule Train were Jim Johnson, Gale and Shirley Fortney, Allan Ake and Linda Agresta, and Chuck and Kathy Tedrow. Chuck offered a very moving eulogy in the form of a personal posthumous letter to Russ.

We would like to welcome our newest members, Noble Zach Phillips and Lady Pam. Zach and Pam, welcome aboard the Mule Train!

All of us from the Mule Train wish everyone a very happy Thanksgiving!!

## FREMONT SHRINE CLUB

by *Richard Mills*  
*President*

It has been a fun filled Summer for the Fremont Shrine Club. Most of our meetings were well attended and the Club accomplished most of our goals. The project with the Salt Lake Hospital Wheelchair Fund is well ahead of schedule. Ill. Sir Bob Burr took a check for \$1,000.00 to the wheelchair unit of the hospital. We received a nice letter of "thanks". Many thanks to all the members, and especially Ladies Donna, Katy and Mary, for making this a successful fundraising activity in 2013. We have over 50% of the funds for 2014 in place already.

I must comment. We had a very good turnout for our last meeting, recognizing that few of our members were traveling for Hospital Days in Salt Lake City and other Shrine activities.

Noble Guy Hammerland started the meeting with a report on the 2013 Golf Tournament which was held at Four Mile Course near Canon City. The event raised approximately \$1,900 for the Shrine. Everyone enjoyed the lunch and all were happy. Guy does have some of the Ball Markers left over and is selling them for \$10.00 each. Thank you Guy, for a job well done!

Guy followed up with a few words about the upcoming Basketball Tournament to be held November 15 and 16, 2013 at CSU-Pueblo. He asked for and received volunteers to get everything set up, including the Entry area and the Hospitality Room, people to man the ticket desk, greeters and Clowns.

Under New Business there was a discussion about a News Media workshop. Thoughts and ideas were presented, but it was decided that we needed more information and possibly some good contacts before we proceed with a plan.

Lady Deborah Jordan showed some of the pictures she is planning to use for the 2014 calendar and asked for any input we might have. She also gave us a short report on the upcoming October 5th tailgate party planned for the CSU Pueblo football game. They have planned for at least fifty people and have twenty reservations to date.

IS Bob Burr gave a short report on Hospital Days at our Salt Lake City Hospital which took place on September 8, 9 and 10, 2013...Of special note, they had the best attendance of recent memory with 150 Nobles, Ladies and Guests attending. At the opening briefing, Imperial Sir Madsen gave an excellent report on our Hospital System and some of the special activities that are taking place and the new Chief of Staff brought us up to date on her plans as she steps into that new job.

I presented the thought of pursuing the Imperial Red Skelton Public Relations Award. After some discussion and exchange of thoughts and ideas, Doug Gable was asked to lead that effort and he accepted.

Meeting adjourned. See you next month.

# CLOWNS OF AL KALY

by Ill. Sir Bob "Nickels" Burr  
Boss Clown

We did it! We made it through another parade season. Of course, that doesn't include the upcoming Parade of Lights. We all understand that doesn't include the many Community Service appearances we all made.

Thank you, fellow Clowns, for all of your support this year. The ability of the Boss Clown to send out a short message, asking for help, and have a number of positive responses in a short time makes the Boss Clown's job much easier and more fun.

Continuing with the pattern I've set the past few months, I'd like to recognize a couple of our Clowns.

Noble Jim "Smiley" Eaches. Has been with the Unit since April 2001. He is one of those guys that still is in the working force but finds time to support the Unit whenever possible. When he is out there he proudly displays that big smile that his clown name reflects. Jim is now High Priest and Prophet for Al Kaly and once again we will be sharing his time and talent, at least for the next three years. The Clown Unit looks forward to giving him our full support during that time.

Noble Leroy "Bubba" Lindsey has made many positive moves within the Masonic Body and especially the Shrine this year. The one most notable to us is when he joined

When Al Kaly Clowns go golfing, they go to "play" golf, as opposed to play golf. Left to right: Leroy "Bubba" Lindsey, Jim "Skeeter" Gibson, Dave "Reboot" Bills and Phil "Jingles" Moss the Clowns of Al Kaly, met with one of our Senior (and I Mean Senior) Clowns for a make up session. Bubba has been active ever since the day he got the make-up figured out and got a nice Clown outfit. Thank you "Bubba" for a great job.

I see many Nobles out there that have not committed to a Unit and would like to invite them to attend one of our meetings. We meet at the Colorado Springs Shrine Club the second Monday of each month at 7:00 PM. Looking for a very enjoyable and rewarding hobby, please come and check out our Unit.

## SHRINE CLUBS AT THE CSSA PARADE

*(Fremont, continued from page 22)*

Shriners have the reputation of being "good eaters" and we lived up to it this year in Fremont County. It started with a great Official Visit. After the Pioneer Day Parade in Florence, a well-attended and fun filled picnic was sponsored by Nobles Bob Hudson and Dick Mills and their Ladies, Donna and Mary. Mary had the bright idea of having a Bistro. Dick thought it was an Italian dish! All said and done, it worked out to be a good idea and added to the picnic. Donna and Mary are making plans for next year.

The Club is working on a fundraiser for January 2014 - an antique and collectable show at the Abbey in Canon City. Noble Michael Joins and his Lady Lynette

are working with dealers and individuals around the state to bring their "treasures" to Canon City for the Winter Show. This event is scheduled for January 18 and 19. If you have something to sell or know of someone, see or call Michael.

Brian Carter is doing his usual outstanding job of organizing the Christmas party for the Club. It is scheduled for December at the La Renaissance in Pueblo. We always have a good get-together and I'm sure that this year will be the same.

We are so happy to welcome a new member to our Club, Noble William (Bill) Price and his lovely Lady Lynn who joined our ranks recently. Bill is a longtime Shriner and will be an asset to the Club.

Looking forward to a great 2014.

# PIPE & DRUMS CORPS

by *Dave Doll*  
Clan III Vice President

**ALERT! ALERT!**  
ALERT! We have nailed down the details for our OV dinner to honor our Potentate, Illustrious Sir Roger Mendenhall and Lady Karen, and his Divan. Mark out November 3rd on your calendars for a very enjoyable evening at Bambino's Italian Eatery at the corner of E. Platte Ave. and Circle Drive in Colorado Springs. Tie on your napkins and feast on an all-you-can-eat Italian buffet, including pizza, lasagna, mostaccioli, salad, garlic bread, and dessert stromboli. Soft drinks, tea, tax, and gratuity are all included at the low, low price of \$16 per person. Cocktail hour begins at 6:00 PM, and the haggis (not Italian) will be piped in at 7:00 PM sharp. Contact Tom Holmes at 719-686-1110 to make reservations.

New members for the Pipe & Drum Corps are wanted. No prior experience is necessary, only a willingness to practice. Pipe Major John Poole will host an introductory meeting for all those interested in piping at the Colorado Springs Shrine Club at 6:30 PM on November 18. The beginning phase of learning to become a bagpiper is conducted with a practice chanter. No investment in bagpipes or kilts is necessary until you are ready to transition to them.

If your passion is drumming, we would love to see you there as well. Drums are supplied by the Club. If you wish to drum you need only to invest in a practice drum pad and some sticks.

No reservation is required to attend the introduction to piping. Just show up at the Colorado Springs Shrine Club at 6:30 PM on November 18, and you will be welcomed. If you have thrilled to the sound of the pipes and have secretly wanted to try piping yourself, now is your chance to learn from the best.

In late breaking news, the Club has held its annual officer elections. Dave Doll was selected as Chieftain elect for 2014, and Jason Ferris selected as Vice Chieftain elect. Tom Holmes will continue to provide excellent service as Secretary/Treasurer.

# KALYKLOWNS

by Howard “Cuz’n Clem” Magan  
Dust Reporter

The Colorado State Fair for 2013 is now history. There were eleven days of brutal temperatures, but Nick “Pocket-Change” Forgit, Doug “Bulls-Eye” Gabel, and I weathered the lack of storms well. Some contacts were made for future Master Masons, and for a possible affiliation with a local lodge and eventual affiliation with Al Kaly. Many balloons were twisted and many smiles generated because of them.

The Kalyklowns Annual “end of summer” picnic was held in Pueblo City Park on September 22, thus carrying on a tradition of some twenty years. There were seventeen in attendance and as usual, all were filled with good food and a fine day of fellowship with our clown family.

On October 5 Gary “Panhandle” Sears, Nick “Pocket-Change” Forgit, and myself as Parade Announcer attended the 77th Annual Apple Days Parade in Penrose with several other Units also participating. Those Units in attendance were: the Potentate’s Motor Escort, the Flivvers, Al Kaly Band, Little T’s, Tractors, and the Legion of Honor. Thank you to all those Units who were able to participate, since the Tailgate Party for CSU Pueblo Thunder Wolves Football was also on the same date, making the choice

for which event to participate in a difficult one.

Our own Noble Wayne “Howdy” McKey was also a winner in two categories of the Clown Competition at the CSSA event in Branson, MO. Also in attendance as spectators and paraders were Vern “El Lobo” Wolf and Doug “Bulls Eye” Gabel. Noble Wayne has graciously provided pictures taken at CSSA for our

article this month. Thanks Wayne!
